## *Would you like to have:*

- Lower Property Taxes?
- Efficient Local Government?
- Controlled Budgeting and Spending?
- A Stronger Voice in Local Government?
- Real Priorities Accomplished?
- Improved Local Government Services?

## *What We Do*

- Educate citizens in the understanding of government taxing, spending, budgets, and operations processes.
- Promote a more responsive, effective, and cost efficient government.
- Analyze budgets and processes to identify areas for improvement.

- Participate in budget sessions to clarify issues and suggest areas of concern and improvement.
- Gather input from citizens and establish a two way line of communication with local government officials.
- Meet regularly with elected officials to discuss issues and create a better alliance.
- Sponsor forums for various officials and citizens to create mutual understanding of tax and budget issues.
- Meet regularly with community opinion makers to discuss our ongoing work.
- Communicate research findings to citizens using various media.
- Research, document and communicate the voting records of elected officials.

## *Get Involved Today,*

You can help by attending local government meetings, doing research, public relations, web site management, membership drives, and many other needed activities. Or, if you simply want to be better informed, join today.

**Membership is as low as \$20.00 per year!** (However larger donations will be accepted and deeply appreciated)
